NO MORE STYMIES; OLD RULE IS GONE

[Republican A. P. Leased Wire]
 CHICAGO, May 21.—Stymies in golf play are abolished by a revolutionary rule promulgated by the Western golf association today for play in the western championship, to be held at the Midwestern Country club, Chicago, July 9 to 14.

The new rule, which so far as three-fourths of the United States and all of Canada are concerned does away with one of the most discussed penalties of golf, sets one of the cardinal rules of the ancient Scottish game by providing that the ball nearest the hole shall be played first when both balls are on the putting green. Heretofore, the ball farthest from the hole had to be played first.

The new rule was promulgated by President Charles F. Thompson and the directors of the Western Golf association unanimously without consulting other golf bodies.

WRANGLE OVER SERIES

[Republican A. P. Leased Wire]
 CHICAGO, May 21.—After a seven-hour conference, club owners of the American Association tonight apparently were as undecided about cancelling the series with the International League as they were when they began their session two days ago.

James C. McGill, president of the Indianapolis club; O. H. Wathen of Louisville and Roger Bresnahan of the Toledo club are reported to compose the faction opposed to the cancellation. The conference will be resumed tomorrow.

NO WESTERN REGATTA

[Republican A. P. Leased Wire]
 CHICAGO, May 21.—The annual regatta of the Western States Amateur Rowing Association, scheduled to be held here July 20 and 21, was called off tonight because officials decided it would be unprofitable to hold the event with the country at war.

PRESIDENT MENOCAL TAKES SECOND OATH

[Republican A. P. Leased Wire]
 HAVANAH, May 21.—This chief justice of the supreme court at noon today administered to General Mario G. Menocal the oath of office for his second term as president of the republic of Cuba in the presence of cabinet ministers, supreme court justices, members of the diplomatic corps, senators, congressmen and representatives of various organizations.

Many liberals were present, a complete spirit of cordiality was shown and there was no untoward incident. The president made no inaugural speech. After the usual responses he turned to the audience, saying:

"Gentlemen, I have taken possession of the presidency of the republic." General Menocal then appeared on the balcony, being enthusiastically cheered by an immense crowd in the Plaza de Armas, where a battery of 21 guns was fired in salute, which was answered by the guns of Fort Cabanas. In a proclamation issued at the conclusion of the ceremonies the president, after referring to the almost complete suppression of the revolution, declared: "The honor and fulfillment of obligations, contracted voluntarily before the world, impose the sacrifice of self."

Look for the Cars with Red Gas Tanks —They're Helping to Make History

The Maxwell international gasoline economy demonstration takes place all over the United States and Canada on Wednesday, May 23—Thousands of Maxwells will participate—Two of them here—You'll know them by the red gasoline cans attached to the windshield—Watch for them.

A Maxwell will travel further on a gallon of gasoline than any other car made.
 —we simply want to show you the average mileage of Maxwells in daily service.
 We Want You to See the Thing Done
 That's why the one-gallon gasoline tank is painted red —and put in plain sight, outside the car.
 We want you to know the drivers —and the official observers, all responsible members of this community.
 Names of the drivers and observers —the route to be taken by the cars —and all other details of the run —will be made public as soon as definitely decided upon. Watch for that.
 We Want You All There
 We urge you to come along in your own car as a witness to the actual performance, —it's all going to be done right out in the open —here, and in every one of the more than 2,000 cities and towns taking part in the demonstration. Come and see history made.

ondary questions which divide the nation to the great object of common defense.
 "Cuba should dedicate all her energies to the defense of the ideals of democracy and international justice and liberty of the seas, in which, as a commercial nation, she so greatly is interested." He asserted that "even without these motives, it would be sufficient that the United States, to which Cuba is bound by solemn treaties and moral and material ties, has had to declare war against Germany to compel Cuba to place herself on the side of the United States in the great conflict."
